**ORDER:-**

The Chief Engineer, Central Designs Organization, Hyderabad in the letter third read above has submitted the proposal of M/s Helamba Hydro Power Private Limited, Hyderabad for establishment of "Mini Hydel Power Project" with 6.00 MW Capacity (2x3000 KW) in Rampachodavaram near the bridge on Pamuleru River East Godavari District for generating power stating that the Committee constituted in the G.O.first read above has given technical concurrence to the above Mini Hydel Scheme.

**2.** In the reference fourth read above, the Chief Engineer, Central Designs Organization has been requested to examine the proposal on the specific issues prescribed in G.O.first read above and also in terms of procedures and guidelines mentioned in the G.O.second read above and furnish specific recommendations of the Standing Committee to Government.

**3.** The Chief Engineer, Central Designs Organization, Hyderabad in his letter fifth read above, has reported that the Standing Committee which met on 22-7-2008 discussed the different aspects such as Interstate problems, Water regulation, Drainage and flood control, Environmental clearances, designs etc., as envisaged in G.O.Ms.No.58, I&CAD (PW:QCIWS) Department dated 25.4.2000 and G.O.Ms.No.165, I&CAD (PW: Reforms) Department dated 11.7.2007 and found that the proposal is viable and can be recommended to the Government for considering issue of "No Objection Certificate" to M/s Helamba Hydro Power Private Limited with 6.00 MW capacity proposed on Pamuleru River near Bridge on State Highway Rampachodavaram (V) East Godavari District subject to the following conditions:-

- (i) The Agency should get the designs of the Mini Hydel Scheme approved from the Chief Engineer, Central Designs Organization before grounding the scheme.
- (ii) Afflux bunds (flood banks) are to be provided to protect adjoining lands and assets, wherever required while approving the designs
- (iii) The Agency should get the environmental clearance from the competent authorities, duly following the procedure and rules in vogue and produce the same to the Superintending Engineer concerned of Irrigation & CAD Department, before grounding the scheme.

(P.T.O)

...2...

4. The Government after careful examination of the proposal and based on the recommendations of the Standing Committee and in relaxation of Para (6) of G.O.second read above hereby accord "No Objection Certificate" to M/s Helamba Hydro Power Private Limited for establishment of Mini Hydel Scheme of 6 MW Capacity on Pamuleru River near Bridge on State Highway Rampachodavaram (V) East Godavari District subject to conditions (i) to (iii) specified in Para (3) above, in addition to general and technical conditions stipulated in G.O.second read above. The provisions of the New Electricity Act 2003 shall be followed strictly with regard to sale of power.
